

CERTIFICATE

Quality Assurance System for material manufacturers in accordance with Pressure Equipment Directive 2014/68/EU, Annex I, Paragraph 4.3

Zertifikat-Nr.: 2021-008-720-21025.003

The Notified Body of GSI – Gesellschaft für Schweißtechnik International mbH certifies that the manufacturer has implemented, operates and maintains a Quality Assurance System in accordance with Pressure Equipment Directive 2014/68/EU, annex I, paragraph 4.3 and AD 2000 Merkblatt W0 which has undergone a specific assessment for materials mentioned in the scope of approval.

Name and address of manufacturer

**Angehern AG Umformtechnik
Weierwiesstrasse 24
CH-9113 Degersheim**

Test basis

Pressure Equipment Directive 2014/68/EU, annex I, paragraph 4.3 and AD 2000 Merkblatt W0

Scope of approval

Manufacturing of forgings in ferritic, stainless steels and nickelbase alloys

Note

The manufacturer is therefore authorized to issue certificates of specific product control within the scope of the assessed quality system and in accordance with Pressure Equipment Directive 2014/68/EU. Possible additional requirements – specific to applied technical specifications to meet PED, annex I – are not affected.

The scope of approval is described in the annex to this certificate.

Valid until

31st, May 2026

Munich, April 11th, 2024
